- Ability to work independently, prioritize and perform multiple tasks under pressure
- Ability to evaluate priorities and make sound decisions
- Ability to maintain internal and external confidentiality
- Possess a strong commitment to feminist healthcare and reproductive and LGBTQ rights

ABOUT THE CLINIC:

Cedar River Clinics is AAAHC accredited health care facility with locations in Renton, Seattle, and Tacoma. We provide abortion, birth control, STI/STD testing and treatment, other reproductive health care, and LGBTQ wellness services including transgender care.

Cedar River Clinics is a social change organization that combines *direct services* (abortion and reproductive health care), with *activism* (to preserve the right to choose) and *community education* (to demystify health information and empower health decisions).

VISION: We have a vision of the world where we are all free to make our own decisions regarding our bodies, reproduction, and sexuality – creating communities where we can fulfill our own unique potential and live healthy whole lives with dignity.

MISSION: Ensure access to reproductive and sexual health care through direct services, advocacy, and community education to defend bodily autonomy and advance social justice.
